Michelle and Kendall,

Attached is a draft communications plan re next week's schools visit(s), with general messages and contact info.

I spoke briefly with the school district's communications manager earlier this week about EPA's visit.

Let's all keep in touch next week on the visit, what you find at the school(s) and what you hear from the school, district staff or teachers.

Thank you!

Suzanne

Subject: FW: Invitation: EPA PCB Ballast Inspection @ Weekly from 7am to 3pm on Tuesday, Wednesday, Thursday from Tue Mar 22 to Thu Apr 21 (piplicd@monroe.wednet.edu)

FYI, I talked to the Devlin today and scheduled the inspection for the week of March 21th. We'll try to look at as many of the other 7 locations slated for ballast removal as time permits.
